EXPLORE NURSING AT LA TROBE

At La Trobe, you can explore different ways into a career in nursing. There are multiple points of entry depending on if you have an existing qualification. You can also combine your degree with studies in midwifery or psychological science to broaden your career opportunities.

As a La Trobe nursing student, you'll learn how to care for people of all ages and make ethical, clinical decisions with a compassionate and caring approach. You'll develop important professional skills such as time management, team leadership and caseload management.

Your hands-on experience begins at our on-campus clinical simulation centres and extends to supervised experience in hospitals and healthcare agencies – so you'll graduate career-ready within an in-demand profession.

PROFESSIONAL ACCREDITATION

The Bachelor of Nursing is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC). Graduates of the Bachelor of Nursing may be eligible to apply for registration with the Nursing and Midwifery Board of Australia (NMBA) as a nurse.
